

Sessions 3 – Showcase prep and reflections:

Use the ppt on Teams.

1. Students will have up to 15 minutes to reflect on their summer school experience and try to link the activities to basic aspects of HPL. (Worksheets will be provided.)
2. USE THIS TIME TO LOOK AT STUDENTS' RESPONSES AND COMPLETE THE AWARDS PROMPTS SHEET - I'll print these off for you.
3. The main bulk of the session (40 minutes) will be for students to be creative - preparing a class presentation on the summer school highlights.
4. The final presentation needs to be a maximum of 3 minutes (we will have to stop them if they go over.). The information below is on one of the slides:
