Service for Education - Wonderdome	£ 499.00
Total cost	£ 27.966.31

279 students were offered a place. The programme was devised around the 130 who requested a place by the deadline.

When students' later declined their place, it was offered to someone on the waiting list – thus full attendance was largely maintained.

The summer school programme ran as planned – for the full duration and with full attendance and staffing.
