

PE Kit Update 2019

Dear Parents

We have recently reviewed our PE kit for secondary phase students. The current kit has been in place since the school opened almost 15 years ago and needed updating.

As you are aware the current uniform includes a navy tracksuit which could be purchased from the uniform shop. Very few of our students are choosing to wear this due to it's out of date fit, fabric and appearance. Instead we have many versions of black and navy tracksuits creeping in with various logos and branding. The current kit is also entirely unisex/boys fit and many of our female students would like to wear girls/women's cut clothing. The leggings that we introduced three years ago have been overwhelmingly popular and stay as part of the update.

Moving forward our entire kit will change from navy, to black with gold accents. There will be girls and boys fit polos as well as long sleeved zipped tops for warmth (students are welcome to purchase either fit according to their personal choice.) We also have leggings and unisex jogging bottoms.

We do not want to force a premature financial outlay for parents whose child still fits in their current kit. Therefore we will be phasing in the new PE kit. Anyone needing replacement items can now purchase the new kit. Please be aware that the old stock is no longer available. The current kit including navy or black tracksuits is still allowed to be worn until the end of the academic year. **From September 2019 only CCS logoed clothing may be worn**, this includes their current navy polo top or rugby top, and for team players, the navy hoody. We appreciate that these would normally last two years in terms of child growth and therefore will continue to accept these until July 2020. **Other non-logoed items will not be permitted from September 2019** onwards so if your child wishes to wear a tracksuit this will need to be either the current navy CCS logoed one or the new black logoed one. **The new year 7 intake in September will be required to have the new black and gold kit.**

Phasing In...	Dates...
New CCS Kit	Available Jan 2019
Current Kit (in addition to new kit)	Until July 2019
CCS branded items only (including old style)	up to July 2020
