

**5 August 2020**

Dear parents and carers,

Further to previous communications, we will shortly be uploading a request on ParentPay for payment of House strips for any new Year 7 parents who are yet to purchase them. It is a requirement of our school uniform policy that these are attached to all students' school blazer.

**If you have already purchased and received your child's House strip from The Schoolwear Shop, then you may ignore this communication and any request on ParentPay.**

The cost of the strip is £2 and we will distribute strips to those students who do not already have one, and for whom we have received payment, on the first day of term in September. It would help us if payment could be made as soon as practicable in order to help us to organise and minimise disruption on their first day.

To assist you, we have set out below our House names and guide for the colour strip your child will need to collect:

<b>House colours</b>	
Brisbane	Green
Melbourne	Blue
Sydney	Red
Perth	Purple

Many thanks for your co-operation and patience with this issue.

Kind regards,

The Year 6 Transition Team
