Aerosols

A reminder that the use of aerosols (or perfumes) are not allowed in school

Year 10 Bulletin 12/10/2020

This week our focus is on *Creating*. Recognising the rules, and bending them to create new forms. We look forward to seeing how the Year 10 students demonstrate their creativity throughout their lessons this week.

Year 10 have had a busy week, and we are already rapidly approaching half term with only two weeks left to go.

The timetable has been adjusted to ensure that the year 10s now have access to more rooms in upper C at lunchtime,. This will be especially important as the cold weather approaches. The students are beginning to understand that these spaces are to be looked after, as there are lessons starting in them immediately after lunch. We have also opened the lecture theatre at lunchtimes, and have a pop up cinema which is being enjoyed by number of students.

Mr Fiendley & Mr Colman

Drama update

10A had a great lesson exploring the use of movement as a starting point for devising a piece of Drama. They were working spontaneously to create images with themes, without any planning, just going on instinct. They were engaged fully and had a really mature approach to the lesson.

Mrs Atherton
