## Year 9 Bulletin

# 12/10/2020

This week our focus is on Creating. Recognising the rules, and bending them to create new forms. We look forward to seeing how the Year 9 students demonstrate their creativity throughout their lessons this week.

Year 9 have had a busy week, and we are already rapidly approaching half term with only two weeks left to go.

### Aerosols

A reminder that the use of aerosols (or perfumes) are not allowed in school

Further to Mr Wakefield's communication regarding our contingency plans for remote learning, please can I ask you to fill in this brief questionnaire to enable us to assess your child's current level of access to the tools that enable remote learning.

During these really difficult times, we know that there are lots of parents and carers whose circumstances have changed dramatically. If you have found that you are suddenly, or currently, in need of financial support then please do remember that you may be eligible to apply for Free School Meals (FSM) for your child. Not only will this ensure that they receive a meal each day in school, but also means that the school receives a small extra pot of money ("pupil premium") that can be directly used to support your child with resources, equipment, trips (when they start happening again!), and so on.

You can apply for this directly through the council website using the following link <https://northamptonshire-self.achieveservice.com/service/>
