Year 6 Update

Dear Parent and Carer,

I am writing to advise you of the arrangements for learning in Year 6 for the next two weeks. Unfortunately, both our Year 6 teachers are unavailable due to staff illness and so we have a reduced number of staff available to prepare and deliver teaching to Year 6 both on site and remotely. Mrs Cairns will take over responsibility for overseeing the learning in Year 6 over the next two weeks; consequently, if you have any concerns or queries please contact Mrs Cairns via email or through Microsoft Teams. The Year 6 work will be loaded onto Microsoft Teams as we have done previously. Year 6 students have now all had experience in using Microsoft Teams to complete work.

If you have any further queries or have any issues using Microsoft Teams, please don't hesitate to contact the primary office by email on primaryoffice@ccs.northants.sch.uk or by telephone on 01604 669210.

Thank you for your continued support in these difficult circumstances. If you have any questions or concerns regarding the situation, please do not hesitate to contact me.

Yours sincerely,

Katherine Patterson
Vice Principal
