### SCHOOL CLOSURE / NATIONAL LOCKDOWN

We know the recent closure announcement will have caused anxiety and uncertainty around your futures, especially in year 13. As yet we have no definitive answers to many of the questions you have, but would like to highlight the following...

Exams scheduled to take place in January will run as normal, as we believe we are able to hold these in a safe environment. Please look out for a letter from Mr Wakefield which will outline exam details further.

PPE (Mock) exams scheduled for the end of January/February have been postponed (further details will follow)

Summer exams for GCSE and A Level are officially cancelled and we are awaiting clarification on how students will be assessed. We advise you to ignore media speculation and await official updates.

Sixth Form remains open to students identified as vulnerable or belonging to the families of key workers. Lessons will continue online via TEAMS and students should attend all sessions set by their teachers as if they were in school, making sure to access all set work and meeting deadlines for the submission of work to ensure their continued progress. Remember to take breaks and maintain physical activity.

Please contact the sixth form team urgently if you are having problems accessing remote learning and be assured, we will update you as soon as we have further information.

Check Teams Forum and emails daily

**Assemblies will be recorded and placed on TEAMS for students to access in their free time**

**Please continue to book virtual mentoring appointments with tutors**

**Study Centre: Covid rules must be followed at all times if at school**

### HPL Weekly Theme – EMPATHY “Concern for Society”

*‘The ability to know the contribution you can make to society for the benefit of those less fortunate; demonstrate citizenship and a sense of community ethos and recognise differences as well as similarities between people and peoples; be aware of your own and other’s cultural heritage and sensitive to the ethical and moral issues raised by their studies’*
