## Year 9 Interim Progress Reports

Dear parents and carers,

The Spring reports for Year 9 are now available for you to view, via the Insight tab of the Caroline Chisholm School website. A direct link to Insight is provided below for your convenience:

[information.ccs.northants.sch.uk/Info.aspx](http://information.ccs.northants.sch.uk/Info.aspx)

[Don't know your password?](#)

If you need a reminder of your username and password, please request one by following the link "Don't know your password?", as found on the login screen (see above).

The reports for your child can be found via "Reports" tab on the tool bar and then by clicking the relevant report "~KS3 Report Year 9 Spring Term 2021".

You will find a list of your son or daughter's class teachers in this report. If you have any queries about a specific subject, please directly contact the class teacher in the first instance.

To ensure our class teachers can respond to everyone, we would politely ask parents to limit contact for those subjects that are causing concern and, where required, we would ask that contact is made via your child's Microsoft Teams Account.

For any further general questions, please contact your son's or daughter's Form Tutor. As a Progress Leader, I will also be able to support and help with any possible queries you may still have.

Kind regards,

Ellis Johnson  
Progress Leader for Year 9
