

Year
1

Computing

Online safety

Creating pictograms

Looking at how to store data

Grouping and sorting

Lego builders - An introduction to algorithms

Pupils and parents are introduced to Purple Mash and children are given their logins to use the software at home.

Maze explorers

An introduction to coding

Animated story books

Children will create their own e-book

Coding

Use of coding programmes

Spreadsheets

Technology outside of school

What do we use at home?

**Caroline
Chisholm
School**

Ambition Confidence Success
Everyone Every Lesson Every Opportunity

Computing

LINKING

Continuing work on Coding and Online Safety from year 1

Questioning

To allow us to explore data further

Creating pictures

Pupils will learn how to write captions

Effective searching - How to use the internet properly

Creating

Making music

Children will use tools to create beats and rhythms

Presenting ideas

How we can present ideas in different ways

Touch typing

How to use a keyboard properly and effectively

How to use email properly and safely

Caroline Chisholm School

Ambition Confidence Success
Everyone Every Lesson Every Opportunity

Databases

Pupils will continue to use Purple Mash in school and at home to enhance their computing skills

Computing

How to create simulations

ANALYSING

Graphing

Creating a graph and analysing data

Year
4

Coding and online safety - Linking to previous knowledge in Years 1-3.

CREATING

Fluent thinking
The ability to generate ideas

Logos

Pupils will create their own logo using Purple Mash software

Writing for different audiences
Learning how to write for different genres of writing

Animation

Effective searching
How to find information effectively

Hardware investigators

Children will be able to identify different parts of a computer

Caroline
Chisholm
School

Ambition Confidence Success
Everyone Every Lesson Every Opportunity

Computing

Year
5

Online safety

How to choose safe passwords

Databases

How to store data effectively

Game creating

Children use their knowledge of coding to create their own game

Concept maps
Storing ideas digitally

3D modelling

Coding - Looking at more advanced algorithms

Year
6

Spreadsheets

Online safety

What is and isn't safe to share?

Blogging

How to write in a blog style effectively

Text adventures

Pupils will learn how to make a story based adventure on Purple Mash software

Caroline Chisholm School

Ambition Confidence Success
Everyone Every Lesson Every Opportunity

Quizzing

Networks

Exploring the internet and what the future holds

Big picture thinking

Year
7

Computing and IT

Students will use the HPL VAAS: Empathetic, Agile and Hard Working throughout all years of their learning.

The Internet and the WWW

Combating the dangers of the online world...

Programming with Python Turtle

ANALYSING

Databases

CREATING

Originality

The ability to conceive something entirely new

Programming with Python

META-THINKING

Meta-cognition

The ability to knowingly use a wide range of thinking approaches and to transfer knowledge from one circumstance to another.

Computer Hardware

Connection finding

Programming with Minecraft

Caroline
Chisholm

Computing and IT

Year
8

Networks and the Internet

Keeping networks secure...

3D Modelling and Desktop Publishing

Boolean Logic

Using Minecraft...

REALISING

Speed and accuracy

The ability to work at speed and with accuracy

Programming with Python

Social media research

Data analysis and processing...

LINKING

Imagination

The ability to represent the problem and its categorisation in relation to more extensive and interconnected prior knowledge.

Caroline
Chisholm
School

Ambition Confidence Success
Everyone Every Lesson Every Opportunity

Website Development

HTML and WYSIWYG

Year
9

Computing and IT

Python Programming using Microbits

Online and Network Security

Emerging technologies

Fluent thinking

The ability to generate ideas

Python programming

HARD WORKING

Practice

The ability to train and prepare through repetition of the same processes in order to become more proficient.

Data processing and analysis

Project management

With video, image and sound manipulation

AGILE

Enquiring

The ability to be curious; be willing to work alone; be proactive and keen to learn.

Information Technologies

Computer Science

Now it's time to pick your GCSE options...
