Student Reminders

I hope this letter finds you and your families well.

It's been a busy time here on site preparing for the start of term. Our IT team have spent the holiday's preparing the Winbook devices for use this term, re-installing all of the software and double checking that everything is working well.

Every student in Years 7-10 have been allocated a device, and a locker key. Please can you stress the importance of looking after the key, as there is only one other copy of the key which we need to keep.

We have also noticed that some students are arriving late in the morning especially, which causes quite a deal of disruption for teachers who have lessons period one. Please can you encourage your children to arrive on site, in classrooms, ready to start learning for 8:45am.

Thank you for your continued support, and I hope you all stay safe and well.

Many thanks,

Andrew Fiendley, Progress Leader Year 10

Please continue to wear masks inside the buildings, this includes classrooms.

Remember to bring your laptop locker key every day, especially on days when you have PE, as you may have left it in your blazer!

Please be aware that mobile phones are not allowed to be out during the school day, this includes breaktimes and lunchtimes.
