

Year 10 Bulletin

18/6/2021

Dear parents and carers,

We hope you have been enjoying the warm weather, and the football.

Firstly, a huge well done to Year 10 students with their approach to their end of year assessments. Feedback from teachers has been very complimentary about students attitudes and work ethos, which is credit to them.

We still have a further two week window in which students are completing assessments and I would urge students to continue revising for these.

A useful tool used by many students is GCSE Pod. These are a series of animated/audio clips which cover all students subjects and topics and explain content very clearly. If students haven't signed up to the this they can do so by going to www.gcsepod.com clicking 'login' and then 'new-get started'. We highly recommend that all students do this if they haven't done so already.

One or two students have lost their 'win book' locker keys. These can be replaced at the cost of £3.00 by contacting curriculum support helpdesk at CurriculumSupportHelpdesk@ccs.northants.sch.uk. A ParentPay request will then be set up for £3.00 and once paid a new key will be issued.

As covid restrictions have eased somewhat, and in preparation for September, we are expecting students to be in correct uniform as per the recent communication, this includes wearing the correct P.E kits. We want to give students 'fair warning' with regards to this, but where uniform requirements are not met, students will be challenged and appropriate sanctions applied. We would welcome parental support in ensuring that their child wears the correct uniform, so it doesn't detract from their studies learning. Details of this can be found at: www.ccs.northants.sch.uk/information/uniform

Kind regards,

Mr Phil Ashton
Assistant Principal

Upcoming Events

21 June - 3 July

End of year assessments
continue

**HPL weekly focus -
w/c 21 June**

Agile - Creative and
enterprising

Student Reminders

- **There is no need to wear school ties during this half term due to the warm weather**
- **Winbooks should be collected before the start of the lesson so your lessons can begin promptly**
- **Phone shouldn't be seen during the school day unless teachers have asked you to use them in lessons**
- **If you are struggling to access GCSE Pod, come along to C14**
- **Extra curricular PE continues to take place on a Tuesday afterschool for Y10. Please [click here](#) for a list of the available sports.**
