

English Writing House Competition

Calling all storytellers, writers and creators... Do you want the chance to become a published author?

We are challenging you to write something with the title '**Our Tomorrow**'.

Unleash your creative fortune-telling skills and explore whatever themes are important to you, be that family, climate, inclusion, technology, space exploration or beyond...

It's a fantastic chance for you to put yourselves on the page, and explore your creative visions of life to come, in fiction, non-fiction or poetry.

What will we win?

The English and House Team will decide on a winner per Year Group. Winners will receive 25 House Points straight to your House.

Entries will also be submitted to Pearson to be judged by a professional writing panel. The winners of the competition will see their work **published in a book!**

Final submission: October 15th 2021

**Please hand in your submission to your English Teacher
or Mrs Spencer in C16.**

Happy writing!
