

# GCSE History

QAN Code 60182179

## WHY CHOOSE HISTORY?

History is a very traditional subject and provides the opportunity to study history in a variety of ways: in depth, across a broad span of time as well as offering the opportunity to use research skills.

History is valued by employers because historians are regarded as having had an education that trains their minds to assemble, organise and present facts and opinions and this is a very useful quality in many walks of life and careers. History is an excellent preparation for many jobs and ensures that a student becomes a well-qualified and well-rounded individual.
