

Travel & Tourism – Summer Induction task

Task 1: Locate the following countries and their capitals (14) onto a world map (15mins)

Peru, Chile, Mexico, Morocco, Malawi, Egypt, Kenya, Nepal, India, Vietnam, Croatia, Estonia, Finland, UK.

Task 2:

- a) Think about reasons why people travel to these countries. Write down up to three for each country.
- b) Pick one of the countries from list. Research the importance of the tourism industry for its economy and build up a fact file about tourism to this place (incl. employment figures and GDP). (40 mins)

Task 3: Think of five factors that can affect travel to the UK. For example, the Olympic Games give the hosting country a significant boost. Include both positive and negative factors and explain how each affect tourism. (20 mins)

Task 4: Read and summarise what is meant by 'responsible tourism' (15mins) = [What Is Responsible Tourism And Why Does It Matter? - | Tourism Teacher](#)
