### CCS Friends – Christmas Card Project

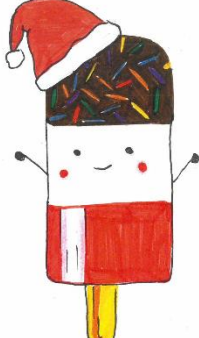

Dear parents and carers,

We would like to say a huge thank you to all students who completed a design for this year's Christmas Card Project, we received over 600 submissions across the school, featuring some truly incredible artwork. With it being the first year we have introduced this project to KS3, we are so pleased with the response it has had from secondary students, with over 200 submissions from Years 7, 8 and 9 alone.

Order forms should have already started coming home with Year R - 9 students, so please do look out for these, to ensure that you can order some lovely Christmas memorabilia featuring your child's artwork – these can include Christmas cards, gift tags, mugs, coasters and more!

We also wanted to share with our parent community some of the fantastic designs members of CCS staff have created. These are also available to purchase, and all orders of these designs will further support this wonderful cause to help us raise funds for the school.

Artwork from Mr Dawson, Mrs Mason, Mr Sumner and Mrs Strickland is displayed below, along with their unique order codes. A reminder that to order any of your child's designs, or one of the lovely designs below, please visit: <https://sforders.co.uk/> and enter the unique order code to get started.
