

Monday 11 December 2023

Dear parents and carers,

In the spirit of Christmas and giving back to those in our community, I am pleased to announce the launch of our brand-new donation drive – Caring is Sharing. This wonderful initiative has been designed to allow parents and staff to make a donation of either food or, for this month only, a present to be gifted to one of our vulnerable students.

If you would like to donate a Christmas present, please can we ask that this is gift wrapped and includes a label, which specifies the gender and year group you feel would be most appropriate for your gift. **Present donations can be made up until the end of day on Monday 18 December.**

Donation boxes are set up in both our primary and secondary reception, and all contributions of food should be in date and non-perishable. Those in need can take items from our food bank as and when required (from secondary reception only), in the hope that you can look forward to giving back in better times. Food donations will continue to run in the New Year and beyond.

We hope that you will join us in supporting this new initiative, and I wish all those in our school community a wonderful Christmas.

Kind regards,

Lisa West
Assistant Principal
