

Year 10 Term 2 Newsletter

Dear parents and carers,

This has been a very busy term for Year 10 students.

At the end of November, a large number of the year group completed their work experience. Students were asked to source placements which interested them and ones that they could see a future in. I have spoken to many students who thoroughly enjoyed the experience and the feedback we have received from businesses has been fantastic. Students conducted themselves in a very professional manner and showcased how great they really are!

Year 10 Census 1 reports have recently been published on Edulink, these reports give you an oversight regarding your child's academic progress, based on their classwork and recent assessments.

Predicted grades have been generated using scores from students Year 7 CATs data, as they did not sit any Year 6 SATs. As we continue to gather more data for your child, it is likely that some predicted grades may change between now and Census point 2. These grades will only increase and not decrease.

I want to take this time to thank you for all of your support over the last academic year. Whilst it has been a challenge, it has been a privilege getting to know the students. In just over a year, I have seen the growth and maturity of many students and getting a glimpse of the young adults they are becoming. I wish them nothing but all the success in their future and hope you all have a lovely Christmas break.

Yours faithfully,

Miss B Jerrett
Performance Leader of Year 10

Upcoming Events

Term 3 starts:
8:45am Thursday 4 January
2024 on a Week A

Year 10 Parents' Evening
7 March 2024
