

Year 11 Term 2 Newsletter

Dear parents and carers,

Wow! What a term! It has been great to end another term with an exciting trip for some of the cohort. October half term saw students jet off to New York and right now we have students in Paris, soon to be making their way home with arrival back at CCS this evening. The New York trip was a huge success and we must thank all those involved in organising and supervising this trip. The same goes for the Paris trip that is currently happening right now - please do check out our school social media to see what the group have been up to during their time away!

Amidst all of this, students have worked incredibly hard trying to improve their grades they achieved in the PPEs. We have a newly opened study club just for Year 11 students, with around 60 students attending daily. This will continue in the New Year and we hope to see more and more students taking advantage of the club.

To support students from January, we are giving them first access to the canteen during their lunch time. This means Year 11 can get their lunch then attend study clubs/lunch time revision sessions as they like.

Prom 2024 has been booked for Thursday 27 June. If deposits haven't been paid via ParentPay, please can we pay them asap. The venue isn't secure until I have paid the deposit, which I can't do without income from parents.

Please make sure you all rest and recuperate over the Christmas holidays. 2024 will be the biggest (and best yet) for our Year 11s and we are ready to help them wherever they need it. Our Sixth Form Open Evening will also be taking place shortly after we return in the New Year, I encourage to join us if you haven't yet booked - more details of this event to the right.

Yours faithfully,

Emma Terry
Performance Leader of Year 11
