

26 January 2024

Dear parent/carer

The police are working alongside enforcement officers from West Northants Council, Parish Council, and the Highways Agency to establish what the main issues are and find a realistic approach to tackling the parking issue around our school.

The police and enforcement officers' presence on Wednesday and Thursday this week was to educate and deter drivers from parking inconsiderately or causing unnecessary obstructions.

In addition, parents have been parking their cars in residential streets close to the school, blocking driveways and are being rude to our residents.

We appreciate there is limited parking in and around the school, let's all work together and consider our residents as most of our students are local. Please encourage your children to walk to school to alleviate the parking issues.

Regards  
Mr David James  
Principal

Regards  
Mrs Louise Samways  
Chair of Caroline Chisholm Academy Trust
