

## Year 10 Term 3 Newsletter

Dear parents and carers,

As we approach the end of my first term as performance leader, I wanted to take a moment to reflect on the achievements and growth I have witnessed among our Year 10 students and provide you with some important updates for Term 4.

### Achievement Points

Throughout Term 3, Year 10 students have impressed me with their hard work and dedication to their GCSE subjects, which has been reflected in the positive feedback I have received from teaching staff across the school. This feedback was shared with students in our celebration assembly where we also reflected on the grand total of 41,356 achievement points Year 10 have accumulated so far this academic year - a fantastic achievement!

### Assemblies

This term we have explored a variety of topics around inclusivity and diversity. In January we discussed Holocaust Memorial Day and February is LGBTQ+ History Month where we looked in detail at contributions of the LGBTQ+ community to medicine.

### Uniform Expectations

As we approach Term 4, please can I remind you that students need to be in full school uniform. This includes black formal school shoes and a black blazer with the school logo on. Moving forward, inability to follow the uniform policy will lead to sanctions being put in place. If you have any queries, the correct uniform policy can be found on the school website. We appreciate your support in this matter.

### Punctuality

Students are expected to be on the school site by 8:40am. Students will receive a 60-minute detention if they arrive to the school site once the gates have closed. Students need to ensure that they have collected their Winbooks and arrive to their form room by 8:45am for registration.

I look forward to welcoming Year 10 back to school on **Monday 26 February 2024**, which is a Week B, for another successful term.

Yours faithfully,

Ms Gee

## Upcoming Events

### Term 4 Begins

Monday 26 February  
8:40am

### Year 10 Parents Evening

Thursday 7 March 2024  
3:30pm - 8:00pm
