

Year 11

Term 3 Newsletter

Dear parents and carers,

Wow! What a term Year 11 have had. With almost 28,000 positives points being added this shows what an amazing year group they are.

PPE2 is in full swing with lots of happy faces leaving the exam hall. This is great to see. Conversations we have had are showing that students feel more prepared and have revised much more productively ready for this round of exams. Teachers have been advised to hand back results as soon as they have marked the exams. Census report information will follow separately next month with details on what to expect as a parent/carer.

Earlier this term we launched an exciting opportunity to current Year 10, 11 and 12 students to join a Camps International Expedition to Kenya in 2025. Over 70 parents and students attended the launch and there is still time for your child to sign up to join the trip. Any questions please speak to Miss Roworth.

We had an extremely productive day for Year 11 when 'Positively You' came in to speak to students about tools and tips to help with revision. Feedback from students was great and positive to hear.

Prom preparations are in full swing. There is still time to pay for a ticket if students do wish to attend. It is looking to be a fabulous evening of celebration with our own resident Year 11 DJ to make things super special.

Just a reminder that we are always here to help if students are struggling and do ask that they please speak to tutors if they need some extra support. We are coming up to what could be a very stressful time in their lives so any support we can give together I'm sure will be much appreciated.

Have a restful half term and get ready for another week of PPEs when we return.

Yours faithfully,

Emma Terry

Year 11 Performance Leader
