

## Year 7 Term 4 Newsletter

Dear parents and carers,

As we approach the end of another term, I am incredibly proud of the progress and achievements our Year 7 students have made this term. Whether it's taking part in the Science Fair, Rugby Tournament, demonstrating leadership skills in our HPL day or earning achievement points within the classroom, each success deserves to be celebrated.

To kick us off, I wish to share some exciting news from our recent Science Fair, which took place on Monday 13 March. This year's theme, was "connections." 40 groups of students enthusiastically participated in this year's All Through Science Fair, showcasing their ingenuity and creativity through a diverse range of projects.

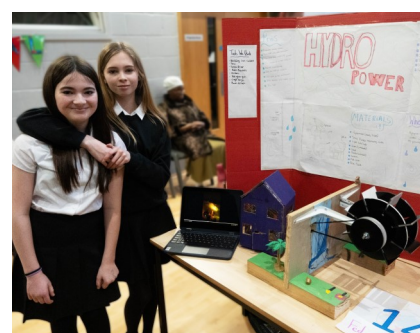

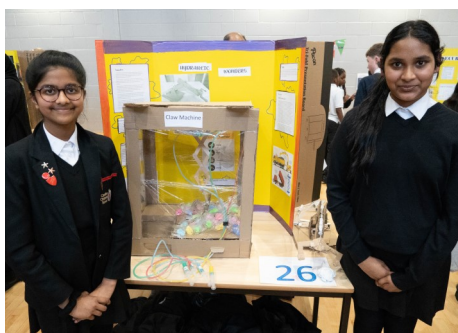

The Main Hall and Canteen buzzed with excitement as students proudly displayed their work for all to see. In recognition of their hard work and dedication, all participating students received Bronze Crest Awards for their project work. The best projects have also been selected to represent our school in the prestigious National Big Bang Fair Science Competition, providing our students with an opportunity to showcase their talents on a national stage.

We are very proud of the winners of this year's Science Fair (pictured below):

1st Prize: Laser Security System by Samrah (7PHR) and Trisha (7CKY)

2nd Prize: Hydraulic Wonders by Aadya (7PHR) and Jovita (7CKY)

3rd Prize: Hydropower by Tillie (7CKY) and Jovie (7CKY)

## Upcoming Events

Term 5 starts  
Tuesday 16 April (Week A)

Year 7 Parents Evening  
Thursday 18 April

Bookings will open via  
EduLink on Friday 29 March  
at 9am.

More information detailed in  
our communication shared  
earlier today.

Huge congratulations to our  
Year 7 boys who won 7-0 v  
Malcolm Arnold at recent  
friendly game.

The game saw an incredible  
second half, unleashing an  
unstoppable offensive, securing  
an impressive victory with O  
Witheyman netting a sensational  
hat-trick, and our goalkeeper, H  
Urquhart, holding strong to  
maintain a clean sheet.

As always you can find more of  
our weekly match reports,  
fixtures and results on our  
website here: [https://  
www.ccs.northants.sch.uk/news-  
and-events/sports](https://www.ccs.northants.sch.uk/news-and-events/sports)

I would also like to share some highlights from the recent Rugby tournament played by our incredible team. With each game, our boys demonstrated remarkable determination and growth, showcasing their talent and teamwork on the field.

In the first match, although the outcome didn't favour us, Isaac set the standard with his outstanding performance, inspiring his teammates to give their best. Jack's exceptional contributions in the second match, despite the close score, showed the team's resilience and determination.

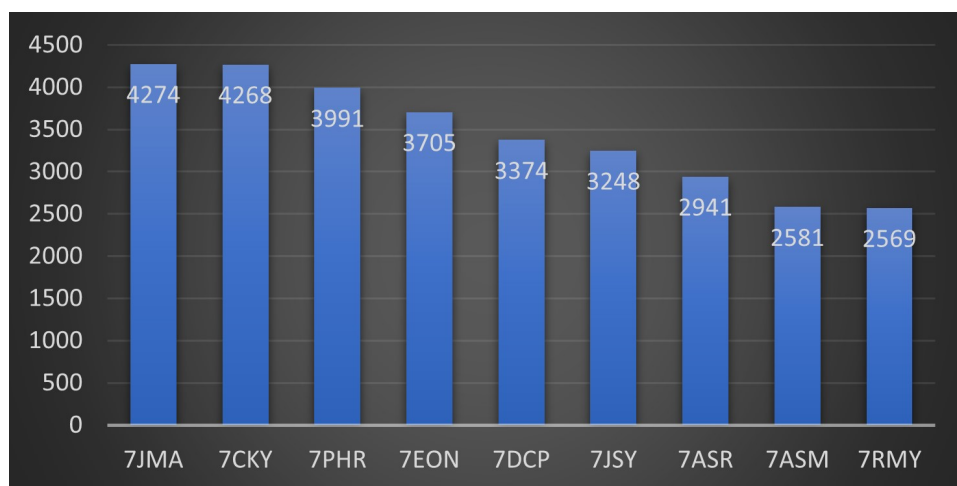

By the third match, our boys were in their element, securing a well-deserved victory with an impressive 5 tries to 1. Special recognition goes to Seb for his outstanding debut performance, demonstrating remarkable growth in confidence and skill throughout the matches.

Overall, it was a fantastic afternoon of sportsmanship and progress, and I couldn't be prouder of our team's efforts.

### Year Group Achievement Points

In total, the year group have amassed a fantastic 72,020 achievement points collectively!

7JMA are just nipping the post for the most achievement points closely followed behind by 7CKY.

Thank you for your continued support, and I look forward to another term filled with growth, learning, and achievement.

Miss E Johnson  
Performance Leader of Year 7
