

Year 10 Term 4 Newsletter

Dear parents and carers,

It seems as if we have only just returned from the half term break and we are concluding for the Easter holidays - a very short term indeed! We have, however, managed to pack a lot into the past five weeks including my brief appearance dressed as a crayon to celebrate world book day!

Achievement Points

Term 4 may have been short, but Year 10 have managed to amass another 10,000 achievement points demonstrating their perseverance, determination and hard working attitude as a year group.

Assemblies

This term we have had lots of reasons to celebrate, from our World Book Day assembly where students reflected on books that they enjoy reading and their first memories of books through to British Science Week where the science team highlighted medical breakthroughs. The House Team also brought our attention to the money raised for Comic Relief through our mufti-day and cake sales held in school. Our final assembly of the term celebrated all of the small successes the students achieve every day.

Uniform Expectations

A huge thank you for your continued support with ensuring students are in the correct uniform. It is fantastic to see all students arriving to the school site smartly dressed and ready to learn.

Year 10 Parents' Evening

Year 10 Parents' Evening was held this term and gave teaching staff an opportunity to feedback on student progress, celebrate successes and address any concerns. If you still have any concerns or questions that need to be addressed, please reach out to your student's subject teacher or form tutor.

I look forward to welcoming Year 10 back to school on **Tuesday 16 April 2024**, which is a Week A, for another successful term.

Yours faithfully,

Ms Gee
Performance Leader of Year 10
