

## Year 13 Term 5 Newsletter

Dear parents and carers,

As our Year 13 students approach the end of their time in school, I would just like to say what a pleasure it has been to get to know them these past two years and work alongside them. They have dealt with a great deal of change during their schooling years and have shown exceptional resilience and perseverance. They have risen to the challenges faced and should feel very proud of what they have achieved.

I would like to remind parents and carers that in term 6, students only need to attend school for their examinations. Again, please check the dates and times by using the personalised Edulink student timetable rather than relying on word of mouth, which can be incorrect! Teachers will remain available to support students in what would have been their timetabled lesson until the final examination in that subject, so I would advise students to access their expertise and examination knowledge as much as needed, for guidance and support.

Students can still attend their lessons if they wish after half term and work alongside their teachers until the subject is complete. Teachers have made extensive revision support material available to students on Teams and students can also continue to access this for help and support.

I would finally like to wish all Year 13 students the best of luck with their examinations and thank them for allowing me to support them as their Performance Leader.

Yours faithfully,

*Aless Cambio*

## Upcoming Events

A level exams – ongoing.

See Edulink for dates

Prom –

28th June 2024

Results day -

15th August 2024

## Student Reminders

Please make sure you have paid and provided your consent for Prom if you wish to attend.

Any questions about this, please let me know.

Please check Edulink for the times and locations of all of your examinations.
