

Year 12 Term 5 Newsletter

Dear parents and carers,

As another term draws to an end and students prepare to start their final term in Year 12, I would like to once again congratulate students on their resilience and hard working approach to their studies. Many students have sat external examinations this term for their courses and have approached these with maturity and determination. I would like to say a massive well done to them for their positive approach.

As we enter our final term in Year 12, students will be sitting a range of end of year examinations for their subjects and can utilise their High Performance Learning skills to assist them with preparing for these. Students should be carefully monitoring techniques used for revision and testing themselves on knowledge revised in order to review the effectiveness of their strategy and correct their approach, if it is not effective. I would also recommend that students practice timed examination style questions in order to improve speed and accuracy in their responses. Students can use mark schemes or ask their teachers to review their responses in order to assess the precision of their practice questions. As always, we encourage students to be hard-working and persevere as they approach these examinations.

We have started completing university applications (UCAS) in form time and students have been supported by their form tutor in order to complete these forms with accuracy. As we enter the last term of Year 12, we encourage students to explore a wide range of future destinations and remain open-minded with their choices and continue to gather information to enable them to make these life decisions.

I wish you all a restful half term break and we look forward to welcoming students back into school on Monday 3 June 2024.

Yours faithfully,

Gayle Harris (GHarris@ccs.northants.sch.uk)

Upcoming Events

- 17 June 2024: UCAS convention trip
- 18-21 June 2024: Internal Examinations
- 24– 28 June 2024: Year 12 Work Experience
- 17 July 2024: Proposed Alton Towers trip

Student Reminders

Please remember to sign up for the Alton Towers trip if you wish to go

Please wear a lanyard around your neck whenever you are on school site

Please remember to sign in and sign out as you enter and leave site
