

## Year 10 Term 5 Newsletter

Dear parents and carers,

As we approach the half term break, and look forward to our final term of the year, I wanted to say thank you for your continued support with our Year 10 students. It is wonderful to see the Year 10's working hard in preparation for their PPE's which will take place when we return after the May half-term.

### Achievement Points

Term 5 has seen the year group amass another 7,500 achievement points, bringing their yearly total to 60,550. This demonstrates the hard-working and resilience of the year group as a whole.

### Assemblies

Assemblies this term have focused on High Performance Learning and how we can all reach our full potential through hard-work and practice. This has been reinforced by sessions delivered on exam preparation and strategies to cope with any exam related stress.

### Kew Gardens Trip

Year 10 students who study Art & Photography had the fantastic opportunity of visiting Kew Gardens this term. During their visit, they had the were able to sketch and photograph the beautiful range of flora on offer. The students really enjoyed the opportunity to explore their creative skills outside of the classroom.

### Year 10 PPE's

End of year examinations for year 10 will begin w/c 10<sup>th</sup> June and will span a three week period. These assessments will mirror the final examinations for each subject in terms of time, number of marks and question style. This will give students the opportunity to experience full examination papers, whilst also giving teachers an insight into how well students have understood, and can recall the learned content so far. This will enable us to identify where interventions need to be made.

I look forward to welcoming Year 10 back to school on **Monday 3rd June 2024**, which is a Week A, for another successful term.

Yours faithfully,

Ms Gee

## Upcoming Events
