

YEAR 12 INDUCTION FINE ART

Summer task

The following tasks must be completed before the end of the summer holiday and submitted when you enrol on the A Level Fine Art course in September. You will need to purchase an A3 hard backed sketchbook. You will be given a series of workshops in Year 12 which are designed to stretch and improve your knowledge and skills in multi-disciplines in art. To prepare you for this, we would ask that you complete the following tasks.

1. A Title Page using the wording "Art Workshops" and an image/images to represent this – use any appropriate media for this.
2. Double page on "Exploring Paint", use this as the title. We will be investigating the use of oil, acrylic and watercolour techniques. Can you please research these three techniques and add your findings to this double page (please also include images....these could be your own sketches/paintings etc).
3. Double page on "Clay Techniques", use this as the title. Please research the Coil and Slab techniques in clay and add your findings to this double page (please also include images....these could be your own sketches/paintings etc).

During your first lesson in Year 12, you will be expected to bring the above work and talk about it in a group critique.

Good Luck and Enjoy
