

Pupil Premium (Aspire) Promise

Ambition – Confidence – Success

At Caroline Chisholm School, we believe that every child deserves the opportunity to thrive—regardless of background or circumstance. Our Pupil Premium Promise reflects our commitment to ensuring that all eligible pupils (referred to as Aspire students) achieve **ambition**, grow in **confidence**, and experience **success** at every stage of their learning journey.

We promise to:

- **Raise Ambition**

We will set high expectations and provide targeted academic and pastoral support so every pupil can achieve their full potential.

- **Build Confidence**

Through mentoring, enrichment, and inclusive opportunities, we will help pupils develop self-belief, resilience, and a strong sense of belonging.

- **Secure Success**

We will remove barriers to learning, give priority access to interventions and opportunities, and work in partnership with families to ensure sustained progress.

Our approach is personal, evidence-informed, and rooted in our belief that **disadvantage should never define a child's future.**
