

YEAR 12 INDUCTION PHOTOGRAPHY

Holiday task

The following tasks must be completed before the end of the summer holiday and submitted when you enrol on the A Level Photography course in September. Your work needs to be presented digitally.

You will be given a series of workshops in Year 12 which are designed to stretch and improve your knowledge and skills in photography.

To prepare you for this, we would ask that you complete the following tasks.

1. A Title Page using the wording "Photography Workshops" and images to represent this.
2. Research into **one** of the following artists: Martin Parr, Markéta Luskačová, Sebastian Bruno or Rinko Kawauchi and present this digitally – this could include a variety of their photographs, how they produce their work, analysis of their work & your opinion.
3. Photograph a week of your summer holidays in the style of your chosen photographer. You can present this in a variety of ways – digital photographs, film, stop-motion, etc.

During your first lesson in Year 12, you will be expected to bring the above work and talk about it in a group critique.

Good Luck and Enjoy
