

Caroline Chisholm School Uniform Requirements 2019-2020

School uniform identifies our students as belonging to our school community. It helps instil a sense of belonging and should be worn with significant pride. School uniform allows students to see themselves as equals and reduces overall costs to parents. The school uniform requirements cover students whilst they are onsite, on journeys to and from school and when students are representing the school in an offsite activity. We would ask for parents to support our standards of uniform to and from school.

The school uniform policy adheres to the 2012 guidance on School Uniform published by the Department for Education.

It is the expectation that students adhere rigidly to the uniform requirements. We value the support of parents and carers assisting the school in ensuring that students comply with our uniform requirements at all times. The uniform is designed to be smart, practical, economical and hard wearing.

Enforcement of Uniform

The vast majority of students value the uniform and wear it with significant pride. It is the responsibility of all staff to work together to ensure that the uniform is consistently worn to the requirements specified in this document.

A student's failure to adhere to the school uniform policy is a clear breach of the school behaviour code. Persistent failure to adhere to the uniform guidance will be seen as persistent poor behaviour and will result in a substantial consequence that may include a fixed term exclusion from the school. Other consequences that may be applied include isolation from normal classes until the uniform issues are rectified. We will stock a supply of uniform items at school which the students will be asked to change into if not wearing proper uniform.

The school also reserves the right to ask students who are not wearing proper school uniform to go home and change. In this instance, parents will be contacted prior to any student leaving the school premises.

Approval for any student not to wear full uniform must be sought, by parents, in writing, directly to the Principal or in his absence, one of the Vice Principals. This will only be accepted when there is an exceptional justification for the student not to wear uniform. If a decision is made to not accept the parental explanation, parents will be contacted directly to help them find an alternative.

In situations where, for whatever reason, there are financial issues which are hindering a parent's ability to provide school uniform, parents are advised to contact the Principal's office directly. Any assistance that the school may be able to provide will be at the discretion of the school. All enquiries regarding financial support will be dealt with sensitively and confidentially and will not be shared with classroom staff or form tutors.
