Welcome & Introductions.

Steve welcomed everyone that came.

Minutes arising of the Previous Meeting

The minutes of the meeting on 7th February were agreed and signed off as a correct record.

Jessica has posted on Facebook about needing more members.

Steve and Lucy are going to attend the forthcoming Parents Evenings.

Dropbox is set up for everyone to use with minutes etc.

Dogs and Signs will be in AOB

Louse is following up about the school photos and potentially changing who does them.

SM will speak to DJ about the IPad survey and where this is up too.

Principles Questions: questions and answers need to be put together, then they will go out. DJ has a new PA so it was suggested that she does this.

Agenda Item 3

It was discussed about having a Parent's Meeting to raise the issues that the school has about the lack of funding, to explain to the parents so they understand why things are being done as they are or are now not happening.

The meeting would be taken by DJ and LS.

PV members to think of any questions they might have to help with the issue. It was decide (after the next conversation) as SRE is more pressing to do that meeting first and follow on with a funding meeting another term.

School would like some help and parental input with SRE, It was decided that at the next meeting on Thursday 25th May (not 24th as previously mentioned) we will invite parents to have some input on what is included. **The date of this is now to be confirmed by Steve, and also the nature of the meeting.**

It will be RSE, relationship will be compulsory but not Sex Ed for the younger children in Primary.

Primary meeting needs to be in Term 5 as it's after this when it's being taught to the children.

KP would lead the meeting, she will give an introduction, we will then split into groups, with a member of PV in each group, and KP will give each group a topic to cover, we can then feed back with suggestions at the end.

JW will draft a letter to go out and a reminder will go on school comms. KP JW and LO to work on the letter.

Agenda Item 4

We still need to recruit more parents, there's YR 7 induction evening and Reception Induction Evening, we need the dates of the Reception evening so we can arrange for PV members to attend.

Agenda Item 5

SM's son is leaving CCS so he will no longer be a parent and is resigning, he's happy to carry on until July, after that we need a new Chair Person.

AOB.

As a result of a meeting with Kajima and Mitie there is to be no dogs on site, The issue of bikes and cycling in the grounds is going to the next meeting. Parking is also going to be discussed at a user group meeting.

It is expected that catering will be in house by September, and with this there will be the facility to make online payments for lunches etc.

It was asked if there will be another School Nurse, there is one now but she's not at school. There are two pastoral officers at school.

A concern was raised that when there was an issue at school, teachers did not get back to the parent concerned and she felt that it was not treated seriously and dealt with appropriately.
