

2<sup>nd</sup> October 2017

To Parents of Pupils in Year 5

Dear Parents

**Year 5 – Star Gazing at CCS**

As part of our continuing theme “Out of This World”, we would like to start the new term with a look into space. This event will take place on Wednesday 1<sup>st</sup> November 2017.

The evening will provide the children with an Out of This World experience: Star Gazing. Children will be required to arrive at school at 5:00 p.m., entering via Primary reception and meeting in the Primary Hall. We will then make our way to the Forest Schools area, where there is less light pollution, to start our evening of activities.

Due to the nature of the activity your child will need to wear suitable, warm, waterproof outdoor clothing and footwear. During the evening we will use iPads to make scientific observations, create constellations in teams and have the option to munch on a Hotdog and slurp Hot Chocolate prepared by staff on Trangias stoves. Please note a contribution of 50p is required to cover the cost of providing the food items. We will only purchase supplies for children from whom this contribution has been received.

Should the weather prevent a full star gazing experience, the children will play several games that involve creating constellations on the Secondary field using teamwork, and also watch the documentary in the Lecture Theatre of Richard Hammond building a planet.

At the end of the evening your child will need to be collected at 8:00 p.m. from the Primary Hall.

**Please note no torches should be brought into school for this event.**

Yours sincerely

*Miss Hes and Miss Page*
