

3<sup>rd</sup> October 2017

To Parents of Pupils in Year 1

Dear Parents

### **Big Health and Happiness Week - Year 1 Fruit Tasting**

In advance of Big Health and Happiness Week, next week our Year 1 pupils will take part in a food tasting activity during which they will have the opportunity to try a variety of different fruits as part of their Design & Technology learning.

During Big Health and Happiness Week at the end of this term, they will then be making their own healthy, colourful and juicy Fruit Kebabs using the fruits they have identified as their favourites. They will then eat their fruit kebabs during school hours. The school will be providing the all fresh fruit required at no charge to parents.

We do, however, need to know if your child has any known allergies to any particular fruit.

- If your child DOES NOT have any known allergies to any fruit, you DO NOT need to do anything;
- If you know that your child has an allergy to a particular fruit, please e-mail details to [primaryoffice@ccs.northants.sch.uk](mailto:primaryoffice@ccs.northants.sch.uk).

We hope that this will be an enjoyable learning experience for all the children!

Yours sincerely

*J-R Green*
