### Additional Notes:

**MFL** students will be set homework (which may be more than one task) once a week.

**Science** classes for **Combined Science** will have homework on alternative weeks because of the nature of the course. In **Triple Science**, teachers will set students homework more regularly.

In **Visual Art & Photography**, we set a 2-week research task on artists/photographers. Students will be encouraged to work more independently later in the year.
