Note for **Performing Arts** and **Art**: Due to the practical nature of these lessons, homework will only be set when necessary to benefit the practical work they will be covering in lessons. **Music**: Occasional short pieces of homework may be set to include consolidation of learning.

Note for **Technology**: Homework tasks are more likely to be set over a longer period of time rather than on a weekly basis. However, work will be set according to need.

Note for **English**: Where an English homework appears as the third subject – please encourage your son/daughter to complete this work on a less busy day – as indicated in brackets.

Final note: Teachers will adhere to the set days for homework wherever this is possible. On occasions, when a class has two teachers, it may be that the day for setting and receiving homework is changed from that above. However, teachers will still allow a week for completion and be consistent in setting work on the re-arranged day. Students will be informed of any alterations.
