

24<sup>th</sup> January 2019

To Parents of Pupils in Year 1

Dear Parents

We are aware that the Phonics screening is approaching in June and you may be thinking about purchasing some revision guides. We have been contacted by CPG, a publishing company of study books, who are offering you the chance to purchase phonics guides at a special rate. We feel that the books are a useful revision tool and that the children will find them extremely valuable to consolidate learning.

There are different types of books on offer. If you would like to see examples of these please pop into Mrs Simmonds' classroom when you drop off your child in the mornings.

If you wish to purchase any of these revision materials at the school discounted price, please make your payment on Parent Pay by **Friday 8<sup>th</sup> February**. We will collate the order from the payments you make, and any books ordered will be sent home once the order has been processed.

Thank you for your continued support.

Yours sincerely

*Megan Simmonds and Kavan O'Boyle*
