Dear parents and carers

The safety and well being of students is always our priority. Many students and staff have breathing difficulties or allergies and can become very ill when deodorant or perfume is sprayed in their vicinity. For those with such sensitivities, these products pose a serious health risk.

We are therefore asking for your support in ensuring that all students avoid bringing aerosol products or sprays into school. Students will be asked to use alternative products (roll on deodorants for example) and to leave sprays at home.

We would be most grateful if all parents or carers help ensure this rule is followed and that sprays and aerosols are not purchased for use in school.

If an aerosol or spray is used in school, it will be confiscated and disposed of.

Thank you for your co-operation.

Yours faithfully

Mr A Colman  
Mr M Lopez  
Mr P Ashton  
Assistant Principal
